Live each day to the fullest. Get the most from each hour, each day, and each age of your life. Then you can look forward with confidence, and back without regrets.

Be yourself—but be your best self.
Dare to be different and to follow your own star.

And don't be afraid to be happy.

Enjoy what is beautiful. Love with all your heart and soul. Believe that those you love, love you.

Forget what you have done for your friends, and remember what they have done for you. Disregard what the world owes you, and concentrate on what you owe the world.

When you are faced with a decision, make that decision as wisely as possible—then forget it. The moment of absolute certainty never arrives.

And above all, remember that God helps those who help themselves.
Act as if everything depended upon you, and pray as if everything depended upon God.

*Lord Jesus,
I give you my hands to do your work.
I give you my feet to go your way.
I give you my eyes to see as you see.
I give you my tongue to speak your words.
I give you my mind that you may think in me.
I give you my spirit that you may pray in me.
Above all, I give you my heart
That you may love in me your Father
And all mankind.
I give you my whole self
That you may grow in me
So that it is you, Lord Jesus,
Who lives and moves and prays in me.*
