Together To Celebrate

Happy birthday!
Hear the singing,
Paper hats and big balloons,
Lots of sweets and cakes and ice-cream,
Wobbly jelly, busy spoons.
John is nine and we are happy.
Hurry up and don't be late.
There are nine bright birthday candles,
Blow them out, let's celebrate.

Jesus called to his apostles
Go and find a special place.
Buy the food and set the table.
Quiet now, let's say the grace.
'Abba, we have come to praise you
As the angels do above,
Round the table, all together,
Here to celebrate your love.'

Christy Kenneally

In the depth of silence
no words are needed
no language required.
In the depth of silence
I am called to listen ...

Listen to the beating of your heart.
Listen to the blowing of the wind.,
the movement of the Spirit.
Be silent—said the Lord
and know that I am God.

And listen to the cry of the voiceless.
Listen to the groaning of the hungry.
Listen to the pain of the landless.
Listen to the sight of the oppressed
and to the laughter of children.

For that is authentic communication;
listening to people
living with people
dying for people.
