The Cap

I remember his cap
shaped for eighty seasons
to his tousled head.

An oval plastic crown,
darkened by blobs of brylcream
at occasional wakes and weddings,
half hid the maker's name
in Nottingham.

He always found it where he threw it
on the rare hours it got its freedom.

Even in death they stayed together
for the heart attack took him gently
as he lay back on the haystack
when the final fatigue slumped
his weary legs on a summer Sperrin field.

The shapeless cap has stayed
plastic-wrapped on a corner shelf
beside his picture
snapped when the Americans came in fifty
-seven.

Not an heirloom, but a relic now
for on it, he, bare-headed,
dropped on one knee every Sunday
to honour his God without liturgical fuss
just inside the backdoor of
Cranagh church.
