### **Love God and Neighbour**

Like the day and its light,  
the wind and its blow,  
the word and its meaning,  
the bread and its dough,  
the night and its darkness,  
the noun and its name,  
the wool and its softness,  
the twin and its same,  
the water and its wetness,  
the heart and its beat,  
the smile and its face,  
the flame and its heat,  
the road and its journey,  
the job and its labour

**There's no 'loving God',  
Without 'loving neighbour'**
