## Patrick and the King

The king held up the glowing torch  
To light the sacred fire.  
The people watched with shining eyes  
To see the flames grow higher.

But wait, the king has stopped to look,  
The people stand amazed.  
See there, upon another hill  
Another fire has blazed.

Oh see, the king is full of rage  
Oh see, the soldiers fly  
To catch the man who broke the law,  
That man will surely die.

'I lit the fire', the stranger said,  
'So all would see and know  
That Jesus warmed the hearts of men  
So many years ago.  
So all who see my little fire  
Upon that little hill  
Would know the one who loved us then  
**Is here to love us still.'**

The king was glad to hear his words,  
He took him by the hand.  
And soon, the fire that Patrick lit  
Would blaze throughout the land.
