Glenamaddy Community Games AGM was held on
Thursday 30th October 2008.

Due to lack of attendees, it was impossible to form a
new committee. The lack of adult volunteers is
threatening future activities of Glenamaddy
Community Games. We urge all parents to attend our
next meeting on **Thursday 6th November @ 8pm in
the Community Centre.** We need new blood to
continue. The same people have been involved for a
number of years and there is a huge need for more
bodies to come on board. With the excellent records
we have, it would be a shame to let Glenamaddy
Community Games fall by the wayside.

If there are not enough people at the next meeting to
form a committee, **there will be no option but to
abandon Community Games this year.** It would be
a shame and a disappointment to all the boys and girls
in our community if this was to happen. Your support
is really needed on the night.

"There may be a wonderful completeness in a life
that only lasted a few years."

Open invitation to all town's people to attend.

Gratitude

To be grateful for what is,
instead of underscoring what is not.

To find good amid the unwanted aspects of life,
without denying the presence of the unwanted.

To focus on beauty in the little things of life,
as well as being deliberate about the great beauties
of art, literature, music and nature.

To be present to one's own small space of life,
while stretching to the wide world beyond it.

To find something to laugh about in every day,
even when there seems nothing to laugh about.

To search for and see the good in others,
rather than remembering their faults and weaknesses.

To be thankful for each loving deed done by another,
no matter how insignificant it might appear.

To taste life to the fullest,
and not take any part of it for granted.

To seek to forgive others for their wrongdoings,
even immense ones, and to put the past behind.

To find ways to reach out and help the disenfranchised,
while also preserving their dignity and self-worth.

To be as loving and caring as possible,
in a culture that consistently challenges these virtues.

To remember to say or send "thank you"
for whatever comes as a gift from another.

To be at peace
with what cannot be changed.
