'Hope' is the thing with feathers  
That perches in the soul  
And sings the tune without words.  
And never stops—at all.

### A Prayer for a New Beginning

O God of young faith and new beginnings  
I remember the church of my childhood  
where you first stepped into my life  
and fed me with your life.

Your life is a treasure  
I have never stopped seeking.  
It is a treasure  
I have never stopped finding.

I remember the deep,  
ever-growing faith of my parents  
who not only taught me to walk  
but taught me to walk in your paths.

But now, in the middle of my years  
I need you O God of young faith  
and new beginnings  
For the path my parents pointed out to me  
seems to be a path  
that leads to a cross,  
and I hunger for a sign  
a rainbow  
a sprouting seed  
a meal shared with love  
a warm embrace  
to assure me  
that  
it really is the best path.

O God of young faith  
and tired faith  
Breathe into my life  
a new beginning.
