Neil Mellon Township Project

Anne Marie Kenny, who took part in the Niall Mellon Township Challenge in 2007, would like to thank the people of Glenamaddy for their sponsorship and support which made the trip possible.

Almost €13,000 was raised.

Photos from the building week are on display in the church this weekend to show why the money was needed and how it was put to use to build homes for some of the poorest black South Africans in Freedom Park, Capetown.

Anne Marie has decided to return to South Africa with the project again this year. Anyone who would like to support the project by organising an event or offering sponsorship, please contact Anne Marie on 087.9894160
