Could you be a carer for a child with special needs?

Sean is a 5 year old boy with a high level of physical and learning disability. While he cannot communicate verbally he enjoys and responds to interactions with other children and adults. Sean attends his local pre-school and continues to make progress in terms of his development. He is very relaxed and lovable and loves to laugh.

Western Care Ass. & HSE West are seeking carers to be involved in Sean's future care. For further information please contact: Elaine Duffy, Social Worker, HSE—094.9042283

Remember To Live

First I was dying to finish secondary school
and start college.
Then I was dying to finish college and start
working.
Then I was dying to marry and have
children.
Then I was dying for my children to grow
old enough for school so I could go back to
work.
Then I was dying to retire.
Now I am dying, and I have suddenly
realised that I forgot to live.

God has not promised
Skies always blue,
Flower-strewn pathways,
All our life through

God has not promised
Sun without rain,
Joy without sorrow,
Peace without pain.

But God has promised
Strength for the day,
Rest from our labours,
Light for the way.

Grace for the trials,
Help from above,
Unfailing sympathy,
Undying love.

Following Jesus

'One more step along the world we go.'

For those whose steps are dogged by fear,
for those whose steps are weak and slow,
we pray, *'Keep them travelling along with you.'*

'One more step along the world we go.'

For those who dare not venture out,
for those who refuse your invitation,
we pray, *'Keep them travelling along with you.'*

'One more step along the world we go.'

For those embittered by life's disappointments,
for those finding solace in forbidden pleasure,
we pray, *'Keep them travelling along with you.'*

'One more step along the world we go.'

For ourselves, fearful, hesitant, tempted, searching,
we pray, *'Keep us travelling along with you.'*
