Conversation

Said the Sparrow to the Robin
"I should really like to know
As to why these human beings
Rush around and worry so?"

Said the Robin to the Sparrow,
"It may perhaps just be
That they have no Heavenly Father
Such as cares for you and me."

Congratulations to Patrick Donelon & Eleanor O'Brien, Esker

Exile

In thousands they came to Lima,
Condemned to hard labour
On high, grey, dusty hills,
Those pathless hills
They do not call their home.
Home is in the high sierra
Or deep somewhere in pueblos
Between rivers in the jungle.

So Grandmothers pine and pine
For the green places
And the sight of trees,
For rosy-cheeked mangoes
For gardens that they knew.

Here now on these parched barren hills
Victims of empty pockets and the gun
Elvira speaks:

*"I miss my neighbour
Coming with her talk
And the few eggs
In her apron."*
