Glenamaddy & District Residents & Traders Association

It's that time of year again folks, following the success of last year's parade, we wish to inform you that the **St. Patrick's Day Parade** will take place on Tuesday 17th March at 2pm, gathering in the Community Centre at 1.30pm. We are once again appealing to you to participate and join in the fun and festivities with an exhibit/float and make this year's parade even more memorable.

Scarry O'Connor & Co. Solicitors are pleased to announce the opening of their sub-office at Kilkerrin Road, Glenamaddy on Monday the 23rd of March 2009. Scarry O'Connor & Co. Solicitors was established by it's partners Michelle Scarry and Kathy O'Connor in May 2007 and are currently located in Galway Technology Park Parkmore Galway. Michelle Scarry a native of Woodfield qualified as a solicitor in January 2003 and while having a strong background in general practice has an interest in Probate, Estates, Wills and the relevant tax consequences that they attract. Kathy O'Connor a native of Boston Massachusetts also qualified as a Solicitor in January 2003 and again has a background in general practice with her interest lying with Litigation and Family Law. As the offices at Parkmore are currently busy it is envisaged that the sub office in Glenamaddy will open primarily on a full time basis for approximately one month. Michelle Scarry will be there from 9.30 am - 1. pm and 2 pm - 5 pm Monday to Friday. However flexibility is afforded and we offer early morning late evening and weekend appointments where required. At the end of the first month depending on demand it might be that the office will then reduce in hours. However this will be determined by the demand. If you would like to make an appointment please telephone 091-709150 until such time as our telephone number is in place in Glenamaddy. Or if you just wish to drop in for a chat we would love to meet with you as initial consultations will be free of charge. Finally we can confirm to you that we offer very competitive rates and an efficient service.
