Congratulations to Joe & Teresa Divilly who have celebrated the Golden Jubilee of their wedding. We wish them many more years of happiness together.

How baffling you are, oh Church,
and yet how I love you!

How you have made me suffer,
and yet how much I owe you.

I should like to see you destroyed
and yet I need your presence.
You have given me so much scandal
and yet you have made me understand sanctity.

I have seen nothing in the world more devoted to
obscurity, more compromised, more false, and I have
touched nothing more pure, more generous, more
beautiful.

How often I have wanted to shut the doors of my soul
in your face, and how often I have prayed to die in the
safety of your arms.

So I cannot free myself from you, because I am you,
although not completely.

And where should I go?
(Carlo Carretto, Letters from the Desert)
