### **Come back to me with all your heart**

Don't let fear keep us apart  
Trees do bend though straight and tall  
So must we to other's call

#### Chorus

**Long have I waited for your coming home to me and living  
deeply our new life**

The wilderness will lead you to your heart where I will speak  
Integrity & justice with tenderness you shall know

#### All that I am

All that I am, all that I do,  
All that I'll ever have I offer now to you,  
Take and sanctify these gifts  
For your honour, Lord.  
Knowing that I love and serve you  
Is enough reward.  
All that I am, all that I do.  
All that I'll ever have I offer now to you.

All that I dream, all that I pray,  
All that I'll ever make I give to you today.  
Take and sanctify these gifts  
For your honour, Lord.  
Knowing that I love and serve you  
Is enough reward.  
All that I am. All that I do.  
All that I'll ever have I offer now to you.
