of trees,
branches spread wide,

*and I wonder
about the openness
in me,*

are tightly twined

*It is time I untwined

It is time I spread wide

Spirit of Friendship

May you be blessed with good friends.
May you learn to be a good friend to yourself.
May you be able to journey to the place of your
soul where there is great love, warmth, feeling,
and forgiveness.
May this change you.
May it transfigure that which is negative, distant or
cold in you.
May you be brought into the real passion, kinship
and affinity of belonging.
May you treasure your friends.
May you be good to them and may you be there
for them; may they bring you all the blessings,
challenges, truth and light that you
need for your journey.
May you never be isolated; but may you always
be in the gentle nest of belonging with your
anam chara.

John O'Donohue.
