This is a
round tuit. Guard it
with your life. Tuits are
hard to come by, especially
the round ones. It will help
you to become a much more
efficient worker. For years you've
heard people say,
"I'll do it, when I get a round tuit".
So now that you have one, you
can accomplish all those
things you put aside
until you got your
round tuit.
