Comment on internet: "Fr. Flann is a down-to-earth man who can relate very well to our daily struggles. He emanates a sense of true cheerfulness, is humorous, gentle, interesting and challenging. This will be my third workshop. His prayer is a way to let go of our false and negative beliefs and to find a way to deal with negative situations. Fr. Flann advises how we can learn to live in the positive world of abundance by practising daily for a few seconds
