As we venture into the New Year we might make the following prayer our own –
Lord in this New Year which we have begun may we have
Enough happiness to keep us agreeable,
Enough trials to keep us strong,
Enough sorrow to keep us human,
Enough freedom to keep us happy,
Enough failure to keep us humble,
Enough wealth to meet our needs,
Enough faith to banish depression,
Enough hope to look forward,
Enough love to give us comfort,
And enough determination to keep going.

May God Bless
you this
New Year!

**Happy New Year
to all imploring**

**God's Blessings of Peace, Health and Happiness
on you and all those you love.**

I just want to take this opportunity to thank all those who helped me get to where I am today!

A New Year's Prayer

Dear Lord, please give me
A few friends who understand me and remain my friends;
A work to do which has real value,
without which the world would be the poorer;
A mind unafraid to travel, even though the trail be not blazed;
An understanding heart;
A sense of humour;
Time for quiet, silent meditation;
A feeling of the presence of God;
The patience to wait for the coming of these things,
With the wisdom to recognize them when they come.
Amen.
