We Can't, But God Can

Why things happen as they do
we do not always know,
And we cannot always fathom
why our spirits sink so low.
We flounder in our dark distress,
we are wavering and unstable,
But when we're most inadequate,
the Lord God's always able.
And all that is required of us
whenever things go wrong
Is to trust in God implicitly
with a faith that's deep and strong.
And while he may not instantly
unravel all the strands
Of the tangled thoughts that trouble us,
he completely understands.
And in His time, if we have faith,
He will gradually restore
The brightness to our spirits
that we've been longing for.
