COURAGE

*Sometimes life drifts slow and steady
 Undemanding, all arranged,
 Then we turn—and life's off schedule,
 In an instant all is changed.
 Now we walk with steps uncertain,
 Simple things seem hard to do,
 Shadows loom to hide the future,
 Every day brings challenge new.*

*Now's the time to gather courage,
 Take a breath, let trust begin,
 Help will come from those around us,
 Strength will come from deep within.
 None of us are left unaided,
 Though we falter, none need fall,
 Even though we may not know them,
 Angels walk beside us all.*
