THE TATE FAMILY

Do you know how many members of the Tate family belong to
your family or church? There is old man Dic-Tate who wants to run
everything, while Uncle Ro-Tate tries to change everything.
There's sister Agi-Tate who stirs up plenty of trouble, with help
from her husband, Irri-Tate. Whenever new projects are sug-
gested, Hesi-Tate and his wife, Vege-Tate, want to wait until next
year. Then there is Aunt Imi-Tate, who wants our church to be like
all the others. Devas-Tate provides the voice of doom, while Poten-
-Tate wants to be a big shot. But not all members of the family are
bad. Brother Facili-Tate is quite helpful in church matters. And a
delightful, happy member of the family is Miss Felici-Tate. Cousins
Cogi-Tate and Medi-Tate always think things over and lend helpful,
steady hands. And of course there is the black sheep of the family,
Ampu-Tate, who has completely cut himself off from the church.
How about it - do you know anyone in the "Tate" family?

CONGRATULATIONS to Catherine Gilligan, Kilkerrin
Road & Gavin Dynes on the occasion of their marriage.
