## SUCCESS

*Success is doing the best you can,  
 in as many ways as you can.  
 It is being just and honest and true -  
 not in a few things, but in everything you do.  
 Always look ahead and never look back,  
 believe you can make all your dreams come true.  
 Always believe in the best you can be  
 and have faith in the things that you do.  
 Forget about mistakes you've made yesterday,  
 the lessons you learn will prove valuable for today...  
 Never give up and think that you're through...  
 for there's always tomorrow and  
 a chance to begin brand new.  
 It is in dreaming the greatest dreams...  
 and seeking the highest goals...  
 that we build the brightest tomorrows.  
 There is no limit to the goals you can attain,  
 or the success you can achieve...  
 your possibilities are as endless as your dreams.  
 Whatever it is that you seek in life,  
 whatever your dreams and what you hope to achieve,  
 whatever you try to reach -whatever you plan...  
 can all be yours - if you only believe you can!*
