Lord, help me to honour this day with the ashes  
on my forehead.

They help me remember where I have come  
from and where I am going.

May I acknowledge to you my sins  
and my deep need for your  
loving forgiveness and grace.

I pray that this Lenten season  
will make me so much more aware

of how much I need your healing in my life.

**For Those not Getting any Younger**

Remember that older folk are worth a fortune, with Silver in their hair, Gold in their teeth, Stones in their kidneys, Lead in their feet and Gas in their tummies.

Although I am getting older I have two gentlemen with me always.

Will Power who helps me out of bed and Arthur Ritus who never leaves me alone.

The priest says that at my age I should be thinking about the "hereafter".

I do this all the time no matter where I am, in the lounge, kitchen, bedroom or bathroom

I am always asking myself – "What am I here after?"
