A Prayer for my Friends

Jesus, I thank you for my friends
 Help me to see my friends with your eyes,
 so I can see when they are hurting on the inside even though they
 don't show it on the outside. And most of all, give me your heart
 and your love for my friends
 so that I could love them as you do.

Based on the words of Fr Stan Fortuna CFR

Winners Are People Like You

- Winners take chances like everyone else. They fear failing, but they refuse to let fear control them.
- Winners don't give up. When life gets rough, they hang in until the going gets better.
- Winners are flexible. They realize there is more than one way and are willing to try others.
- Winners know they are not perfect. They respect their weaknesses while making the most of their strengths.
- Winners fall but they don't stay down.
They stubbornly refuse to let a fall keep them from climbing.
- Winners don't blame fate for their failures, nor luck for their successes.
- Winners accept responsibility for their lives.
- Winners are positive thinkers who see good in all things. From the ordinary, they make the extraordinary.
- Winners believe in the path they have chosen even when it is hard, even when others can't see where they are going.
- Winners are patient. They know a goal is only worthy as the effort that is required to achieve it.
- Winners are people that believe in themselves. They make this world a better place to be.
