## I'm Not Really 69

That's not my age, it's just not true  
My heart is young, the time just flew  
I'm staring at this strange old face  
and someone else is in my place!  
My body's not in disrepair  
I've not much grey in my brown hair  
I sometimes feel a little tired  
But go for jogs when I'm inspired  
This age old thing is not for me  
Concessions given, prescriptions free  
I'll just pretend I'm in my prime  
To age too fast would be a crime  
I'm just not 69 in my head  
It's still so long till I am dead  
So please don't see me in that way  
I'm staying young, if that's OK!
