## Just a Thought

Honesty pays, but it doesn't seem to pay enough to suit some people.

Insults are the argument for those who are in the wrong.

There's no use running if you are on the wrong road.

If you don't like beans you shouldn't have opened the tin.

Always act as if your acts were seen.

You can change a river's course but you can't turn it back to it's source.
