Making Life Worthwhile

It is not what the world gives me
in honour, praise or gold;
it is what I give the world
so others do unfold.
If by my work through life I can
another soul unfold,
then I have done what cannot be
made good, by praise or gold.
One tiny thought in a tiny word
may give a great thought birth,
and, if that thought was caused by me,
I've lived a life of worth.
