PRAYER OF ARCHBISHIP OSCAN ROMERO

We are workers, Its helps now and then to step back and take the long view. The kingdom is not only beyond our efforts. It is even beyond our vision.

This is what we are about. We plant the seeds that one day will grow. We water the seeds that are already plants, knowing that they hold future promise. We lay foundations that will need future development. We provide yeast that produces effect beyond our capabilities.

We cannot do everything and there is a sense of liberation in realising that. This enables us to do something and do it very well. It may be incomplete but it is a beginning, a step along the way, an opportunity for the Lord's grace to enter and do the rest. We may never see the end results, but that is the difference between the master builder and the worker.

We are workers, not master-builders, ministers not messiahs. We are prophets of a future not our own.

TAX RELIEF SCHEME

The time of year has arrived again when we ask you to help the parish to recover the tax paid on your donations to the parish during 2013. This is known as the Tax Relief Scheme for Eligible Charities. The Revenue Commissioners introduced some changes to the scheme which came into effect for the 2013 tax year, as follows: We can now avail of the scheme for all taxpayers, both those who are PAYE and those who are self-assessed who make yearly contributions adding up to €250 or more. (If you contributed €250 in the year the church would then receive a refund of €112.32)

Your individual tax rate no longer applies to this scheme as Revenue apply a rate of 31% for all claims made under the scheme.

This week we will be sending forms to those who contribute to the parish collections using the envelopes and we would ask you to sign and return the form to the parish office.

If you do not use the envelopes and have contributed an amount in excess of €250 during the year to parish collections, we would invite you to contact or collect a form from the parish office.

The Tax Relief Scheme has provided significant funding for the parish since it was introduced and it is now an important source of revenue to the running of our Church.
