"We can think of the Christian life apart from this path. There is always this journey, a journey that He took first; the journey of humility, the journey, too, of humiliation, of denying oneself, and then rising. But this is the path. Without the Cross, the Christian style is not Christian, and if the Cross is a Cross without Jesus, it is not Christian. The Christian style takes the Cross with Jesus and goes forward—not without the Cross, not without Jesus." Pope Francis.
