Never put off until Tomorrow

Around the corner I have a friend,
 in this great city that has no end.
 Yet the days go by and the weeks rush on,
 and before I know it a year is gone.
 And I never see my old friend's face,
 for life is a swift and terrible race. He knows I like him just as well,
 as in the days when I rang his bell, and he rang mine.....
 We were much younger then, and now we are busy tired men.
 Tired of playing a foolish game, tired of trying to make a name.
 "Tomorrow" I say "I will call on Jim", just to show that I'm thinking of him.
 But tomorrow comes and tomorrow goes, and distance between us grows and
 grows. Around the corner, yet miles away,
 here's a telegram sir "Jim died today".
 And that's what we get and deserve in the end,
 around the corner a vanished friend.
 If you love someone, **tell them.**
 Remember always to say what you mean. Never be afraid to express yourself.
 Take this opportunity to tell someone what they mean to you.
 Seize the day and have no regrets.
 Most importantly stay close to your friends and family,
 for they have helped make you the person that you are today
 and are what it's all about anyway.

"Go now, visit those friends and don't be thinking about it... .."

There is a Name

During this month of November when we remember our deceased loved ones many will visit their graves. As you visit those of your loved ones you might like to reflect –

Among the tombstones there is a name,
Where rows and rows look all the same.
Beneath the earth their bodies lie,
Unknown to many who pass by.
Their years of life have led them here,
But their presence is still near.
Our shattered lives with time will mend,
And the grave is not the end.
A place of rest our body needs,
A soul's reward for our good deeds.
Our memories we treasure dear,
Our future dreams without fear.
Yes this earth will pass away,
For no one is here to stay.
Live life now as best you must,
Your souls future among the just.
Love unites beyond the grave,
There are times we must be brave.
We loved them then and love them still,
This is how we always will.
Pray for us as we pray for you,
The years we had were all too few.
The tombstones carry names unknown,
The seeds of love have long since grown.
What is most dear we keep unsaid,
As you now lie among the dead.
We know the stars only shine at night,
With special ones that shine so bright.
For us heaven still awaits,
For you it opened wide it's gates.
