I Try To listen Better now

When God gave out brains, I thought he said trains, and I missed mine.

When God gave out looks, I thought he said books, and I didn't want any.

When God gave out noses, I thought he said roses, and I ask for a red one.

When God gave out legs, I thought he said kegs, and I asked for two fat ones.

When God gave out ears, I thought he said beers, and I asked for two long ones.

When God gave out chins, I thought he said gins, and I ordered a double.

When God gave out heads, I thought he said beds, and I asked for a soft one.

Since then I'm trying to listen better.
