As a Fire is Meant for Burning

As a fire is meant for burning with a bright and warming flame, so the church is meant for mission, giving glory to God's name. Not to preach our creeds or customs, but to build a bridge of care, we join hands across the nations, finding neighbours everywhere. We are learners; we are teachers; we are pilgrims on the way. We are seekers; we are givers; we are vessels made of clay. By our gentle, loving actions, we would show that Christ is light. In a humble, listening spirit, we would live to God's delight. As a green bud in the springtime is a sign of life renewed, so may we be signs of oneness 'mid earth's peoples, many-hued. As a rainbow lights the heavens when a storm is past and gone, may our lives reflect the radiance of God's new and glorious dawn.
