Never Stop Being You

Never stop caring about the little things in life
Never stop dreaming or give into strife
Never stop wondering, are we on our own
Never stop thinking has your spirituality grown.
Never stop building bridges that leads to better tomorrows
Never stop trying or give into sorrow
Never stop feeling amazed at the beauty that surrounds you
Never stop hearing the music or give into the blues.
Never stop pushing away negative thoughts that
make you feel sad
Never stop looking at all the miracles we have had
Never stop loving the ones you hold dear
Never stop giving or give into the fear.
Never stop smiling and look forward to each new day
Never stop shining in your own special way
Never forget that all storms will clear
Remember brighter tomorrows are always near.
