### Thoughts for the Week

There are always three sides to every story: your side, the other side and the truth.

It is sad to grow old but nice to ripen.

Let your heart guide you. It whispers so listen carefully. Promise only what you can deliver. Then deliver more than you promise.

Nothing is a waste of time if you use the experience wisely.

Some people dream of success while others wake up and work hard at it.

Small deeds done are better than great deeds planned. Success is how high you bounce when you hit bottom.

## Fathers Are Wonderful

Fathers are wonderful people  
Too little understood,  
And we do not sing their praises  
As often as we should...  
For, somehow, Father seems to be  
The man who pays the bills,  
While Mother binds up little hurts  
And nurses all our ills...  
And Father struggles daily  
To live up to "his image"  
As protector and provider  
And "hero of the scrimmage"...  
And perhaps that is the reason  
We sometimes get the notion,  
That Fathers are not subject  
To the thing we call emotion,  
But if you look inside Dad's heart,  
Where no one else can see  
You'll find he's sentimental  
And as "soft" as he can be...  
But he's so busy every day  
In the grueling race of life,  
He leaves the sentimental stuff  
To his partner and his wife...  
But Fathers are just wonderful  
In a million different ways,  
And they merit loving compliments  
And accolades of praise,  
For the only reason Dad aspires  
To fortune and success  
Is to make the family proud of him  
And to bring them happiness...  
And like Our Heavenly Father,  
He's a guardian and a guide,  
Someone that we can count on  
To be always on our side.
