GOD IS WITHIN US:

A man whispered, "God speak to me".

And a bird began to sing.

But the man did not hear.

Then the man repeated: "God speak to me".

And the echo of the thunder was heard.

But the man was unable to hear.

Then he looked around and said: "God, let me see you".

And a star shone in the heavens.

But the man did not see it.

The man began to shout: "God, show me a miracle".

And a baby was born.

But the man did not feel the heart-beat of life.

Then, the man became desperate and cried:

"God, touch me and assure me you are with me",

And a butterfly alighted gently on his shoulder.

The man brushed off the butterfly with his hand

*And disillusioned continued on his way,
sad, alone and afraid.*
