# Harvest Prayer

Father, we are mindful that whilst we are well fed and nourished there  
 are many who are short of food, whose harvests have failed for lack of  
 rain as climate changes, or whose livelihood has been destroyed by war,  
 inhumanity and exploitation. Bless the development agencies who are  
 seeking to redress the balance and bring peace and justice where there  
 is want, discord and destruction. Bless those who work for climate  
 justice so that all countries, rich and poor, will have an equal entitlement  
 per person to create greenhouse gas emissions. Give us generous hearts  
 that from our riches we may increasingly give our support to those  
 working among the poor and under-privileged in the world, and keep us  
 ever mindful of our Lord's command to love our neighbours – whether  
 close at hand or in the wider world – as ourselves.  
 We ask this in Jesus' name. Amen.
