throughout the world who work with professionalism, responsibility and dedication for your care, treatment and daily well-being. I encourage all of you, the sick, the suffering, doctors, nurses, family members and volunteers, to see in Mary, Health of the Sick, the sure sign of God's love for every human being and a model of surrender to his will. In today's Gospel we hear of two scenarios where salt is concerned; one is that we are called to be 'salt of the earth'. What salt does for food, Christians are called to do for the world to give life 'taste'. You might recall someone who brought 'taste' to your own life, encouraging you on your journey, offering hope, a new insight or project, someone you followed and learned from. What gifts did they bring?
