### Reflection

“Always trust your fellow man.

And always cut the cards.

Always trust God.

And always build your house on high ground.

Always love your neighbour.

And always pick a good neighbourhood to live in.

The race is not always to the swift, nor the battle to the strong, but you'd better bet that way.

Place your bet somewhere between turning-the-other cheek and enough-is-enough-already.

Place your bet somewhere between haste-makes-waste and he-who-hesitates-is-lost.

About winning; it isn't important.

What really counts is how you play the game.

About losing; it isn't important

What really counts is how you play the game.

About playing the game; Play to win.”
