Grandparents are special people with wisdom and pride. They are always offering love and kindness and are always there to guide.

They often make you feel so confident and strong. Their arms are always open no matter what you did wrong.

They try to help out in very way that they can. They love all their grandchildren the same whether you're a child, woman or man.

They are always there to listen and to lend a helping hand.

**Just a Thought:** 'Draw close to God and he will draw close to you'. James 4:8. One of the gifts we have inherited from our Celtic ancestors is a vivid sense of the presence of God in our lives. Those of us who remember our parents and grandparents praying, know that they had a prayer to cover every chore of the day. They had little time for long formal prayers. Instead each action was done in partnership with God and became a prayer. 'My life is God's precious gift to me. I live enclosed in God and my God is enclosed in me' .

**We welcome all Grandparents to our special Mass this evening celebrating the Treasure of Grandparents.**
