Just a thought:

It's here! May, the month in which the earth springs into bloom and we start thinking about planting gardens, family picnics, and making holiday plans. It's also the Month of Mary. For centuries, the Catholic Church has set aside the entire month of May to honour Mary, Mother of God. We do it because Mary is Mother – your mother, my mother, everyone's mother – and because she cares for all of us day-in-and-day-out without fail, interceding for us in even the tiniest matters. For that, she deserves an entire month in her honour.

Wisdom – Hold fast to dreams, for if dreams die,
Life is a broken-winged bird that cannot fly;
Hold fast to dreams, for when dreams go,
Life is a barren field, frozen with snow
