## A Prayer at the end of the day.

Grant, O Lord, that each evening before we go to sleep, we may reflect on the day that is coming to a close. We ask that every unkind word or deed may be forgiven and every uncharitable thought set right. We pray that our good and generous deeds may go down into the depths of our being. May each day of our lives be blessed and sanctified. Lord, make us ready for our final birth into eternity. May we look forward with love and hope to meeting Christ our Saviour and May we look forward with love and hope to meeting God our Heavenly Father. Amen.

We hosted Tinahely from Wicklow and we reached the semi final where we were defeated by Killeavy Armagh. Our visitors enjoyed a meal and disco in the Community Centre thanks to Martina & Tony Gibbons Supervalu for preparing and sponsorship of the food and to Mary Pettit for use of the Community Centre. A huge thank you to our fantastic and hardworking committee and the Gents GAA who did so much over the weekend and in the preparation for Feile. Thanks to the host families, all who helped with food. ## Plastics

Through prevention, reduction, re-use and recycling, why not reduce our production of waste over these summer months! Daily, we grow more aware of our patterns in consumerism, creating a worldwide problem of waste.....waste often toxic that is damaging and diminishing all life on the planet. Change and be the solution towards: Reducing, Re-using and Recycling plastic waste. Each of us, wherever we live, can commit to reducing our use of plastic. Restaurants, institutions and businesses around the globe are already voluntarily stopping using plastic straws. A number of cafes offer a discount when you bring your own cup and also sell 'Keep Cups'! Some tea companies intend to stop using tea bags as there is plastic among the constituents of the bag and that is not good for our health or the environment! Send a strong message to supermarkets, to reduce their plastic by not buying packaged goods. Marine life is facing irreparable damage from the millions of tonnes of plastic waste, which ends up in the oceans each year. Six pack rings warp sea turtle shells, tangle birds and even choke seals. Make that conscious decision, to 'reduce, re-use, refuse' whenever or wherever possible.

'I offer to the Lord our common efforts' Pope Francis said, 'asking Him to bless them so that humanity would finally start listening to the cry of the earth – our mother earth today is among the many excluded ones who cry out to heaven for help!'
