Reflecting on Life

Take time to stop today
Take time to stop awhile
Reflect on how life changes
Then take the time to smile
Know that as the days go by
These things that challenge you
Will one day just be memories
Of times you have gone through
Look back now on yesterday
And all you have achieved
Recognise the strengths you've gained
The blessings you've received
One day in the future
You will think about today
You'll see just how these challenges
Have helped you on your way.
