## GOD KNOWS

When you are tired and discouraged from fruitless efforts . . . God knows how hard you have tried. When you're cried so long and your heart is in anguish . . . God has counted your tears.

If you feel that your life is on hold and time has passed you by . . . God is waiting with you. When you're lonely and your friends are too busy even for a phone call. . . God is on your side. When you think you've tried everything and don't know where to turn . . . God has a solution.

When nothing makes sense and you are confused or frustrated . . . God has the answer. If suddenly your outlook is brighter and you find traces of hope . . . God has whispered to you. When things are going well and you have much to be thankful for . . . God has blessed you. When something joyful happens and you are filled with awe . . . God has smiled upon you.

When you have a purpose to fulfill and a dream to follow . . . God has opened your eyes and called you by name.

Remember that wherever you are or whatever you are facing . . . God knows.
