Reflection:

We give but little when we give of our possessions.
It is when we give of ourselves that we truly give.
There are many who give so much, and do so continually,
And their giving often goes unrecognised,
And there are those who give but little but for them it is a great sacrifice.
Those who give are the believers in the abundance of life,
and their resources do not run dry.
Through the hands of such as these God speaks,
And from behind their eyes he smiles on the earth.
