Reflection:

Building on a Rock:

There is nothing sure or lasting in this world.
Human opinions change from day to day,
but the words of Christ do not change or pass away.
However, those who listen to His words
but do not act on them, are building on sand.
Time will erase His words from their minds;
Nothing will remain, nothing will come of them.
On the other hand, those who listen to His words
and who do act on them, are building on rock;
They will have something to show for their efforts,
something to be proud of,
and something that will last, last forever.
For friendship is important,
the most special thing by far.
A friend is warm and wonderful
and everything you are.
