A Glenamaddy Prayer for the Earth

God of the Universe,
We thank You for Your many great gifts we see each around us every
day.

For the beauty of the Greenway and the Turlough and the various
walkways in our parish.

We thank you for the wildlife, birds, creatures, trees and plants that
they support and for the rest they provide.

We thank you for clean water and fresh air, for food and shelter,
animals and plants.

Thank you for the beautiful diversity that is so evident in our town,
villages and estates and for the blessing of each other.

Let us never take these precious gifts for granted.

May we always be mindful of what we use.

Forgive us for times we have wasted what You have given us, and we
pray for those who suffer because of our waste, greed or indifference.

Let apathy never allow us to forget our role as stewards and
caretakers of nature and may our touch be always marked with
gentleness, care and with love, respecting all living things.

We ask this in Your name, today and always.

**DELIGHTED WITH THIS WEEK'S
ANNOUNCEMENT BY AN TAOISEACH**

Our congregation can increase to 50% capacity from tomorrow 6th September. This is a great bonus and is very encouraging for the life of our parish.

We can now have our First Communion celebration—(dates to follow next week).

A huge thanks to our covid team—stewards and sanitizers who did a wonderful job in keeping our church safe.

We know many people are still anxious about the virus but we want you to return to Church when you feel safe to do so. We welcome those of you who are ready and you will receive a warm welcome when you join us for Sunday Mass. Sunday is not complete without making time for the Lord.
