Prayer to be Filled with All the Fullness of God

Living God, thank You for the surpassing greatness of Your power to us who believe. Because You came to dwell in us on Pentecost, we have Your mighty strength with which You raised Christ from the dead. Strengthen us in our inner being, so that we can know the love of Christ that surpasses knowledge and be filled with all the fullness of God.

Amen.

SPIRIT OF THE LIVING GOD, FALL AFRESH ON US

In the fields patches of green are appearing, new patches on an old garment.
But, given time, Spring will weave a completely new garment.
Yet Spring is only a facilitator. It doesn't make anything happen.
It merely creates the climate in which things can grow.
We too need to grow, to grow as human beings and children of God.
But growth is slow and painful.
We do not easily let go of the old garment, woven out of old habits and attitudes.
But we have been given a wonderful Facilitator, namely, the Holy Spirit.
The Spirit awakens us to the mysterious power within us,
bids us live and helps us grow. Spirit of the Living God fall afresh on us.

TEN SECOND SERMONS

It is magnificent to grow old —if one keeps young.
What soap is to the body, laughter is to the soul.

A GENTLE REMINDER FROM POPE FRANCIS

“This life will go by fast. Don't fight with people, don't criticise your body too much, don't complain too much. Look for the person who makes you happy. If you make a mistake, let it go and keep seeking happiness. Never stop being a good parent. Don't worry so much about buying luxuries and comforts for your home and don't kill yourself trying to leave an inheritance for your family. Allow dogs to get closer. Why not now? Why not pray now instead of waiting until before you sleep? Why not call now? Why not forgive now? We wait so long for Christmas; for Friday; for reunions; for another year; for when I have money; for love to come; when everything is perfect..... Look, everything perfect does not exist. Human beings can't accomplish this because it simply was not intended to be completed here. Here is an opportunity to learn. So take this challenge that is life and do it now...love more, forgive more, embrace more, live more intensely and leave the rest in God's hands. Amen”.
