CHURCH INCOME LAST WEEK:

GLENAMADDY BETHANY BEREAVEMENT SUPPORT GROUP is a parish based group ministry whose aim is to help those bereaved and grieving. If at any time you feel a need to talk we are here to listen.

Reflection:

Let your Light shine
The most important thing about each of us is our capacity for goodness.
We can be a source of light.
We can have hands that can care, eyes that can see, ears that can hear, tongues that can speak, feet that can walk, and above all hearts that can love.
Unfortunately, through weakness, selfishness or cowardice, our light can be dimmed, so that we become shadows of the people we could be.
Lord, help us to believe in our own goodness, and to let the light of that goodness shine.
On seeing this light, others find their way, and you will be glorified.

QUOTE OF THE WEEK

To thrive in life you need three bones, a wishbone, a backbone, and a funny bone.

Season of Creation.

We are called to be co-creators of our wonderful planet but what can we do to heal, help and restore our precious - earthly home.. 'Given a chance nature will go wild so perhaps we could consider working with nature in this regard rather than working against it. So, instead of strimming or mowing every last blade of grass, why not grow some native wildflowers - this would be a good time to do this? Or leave a wild margin at the edge of your garden- Or if you own land, you could consider agro forestry, or giving over an acre, or even a small patch to growing trees and wildflowers. The bees, the insects and all the beings that share our planet home will benefit from your promoting biodiversity in this way. (Joe Murray)
