## Reflection

I am Love,  
I am Light I am the love;  
I am the light,  
Down the tunnel very bright  
To the gates where I will stand  
Ready to take you by the hand  
A place of joy, a place of peace  
A place where even time does cease  
A place where all the answers lie,  
For every time you've asked why!  
You will never be alone.  
I always send an angel  
To bring my children home  
Don't question life;  
Just live it each and every day  
When I call your name,  
The light will show you the way.
