Heavenly Glory

While out for an evening walk,
I emerged from an area where the streets were lit by bright lamps, and came into an open, dark area.
It was then that I discovered that the sky was full of stars.
And I thought to myself: How easily and how effectively the earthly lights extinguish the heavenly ones
Lord, help us to seek the things that make us rich in your sight,
and grant that the glitter of this world may not dim our hopes of heavenly glory.
