Reflection:

In His Presence

Lord, I place myself in your presence.
After the strain and turmoil of the day
I rest quietly here, as a little boat, which has
been tossed by the waves and buffeted by the wind
rests secure in a sheltered harbour.
Here my projects lose their power over me.
A healing process begins.
My fragmented self is reassembled,
and I am made whole again.
In your presence, I experience my true worth
which consists, not in doing, but in being.
I surrender myself into your hands.
I am at peace.

A huge thanks to the committee and to all who attended, bought tickets, donated prizes, those who sold tickets and to the many clubs, organisations and businesses who gave contributions and/or who put up tables on the night. Thanks also to the local musicians, Sean nos dancers and the band on the night as well as our own MC John Mulligan for the excellent entertainment. JUST A THOUGHT

This life is yours: 'Take the power to choose what you want to do and do it well. Take the power to love what you want in life and love it honestly. Take the power to walk in the forest and be part of nature. Take the power to control your own life, no one can do it for you. Take the power to make life happy'.

TO MAKE YOU SMILE

You know you're getting old when you stoop down to tie your shoelaces, and wonder what else you can do when you're down there.
